
Synthetic Noise Fixture

This synthetic fixture contains only table borders and horizontal rules. The vector-extraction pipeline must produce zero image candidates from this page.

Header	Column B cell	Column C cell
Row 1 data	Column B cell	Column C cell
Row 2 data	Column B cell	Column C cell
Row 3 data	Column B cell	Column C cell

The text above is wrapped in a table; the lines on the page are borders and running-header rules, not diagrams.
